

Douglas Lee, MD

A Note from Dr. Lee regarding patients

"As a physician, I personalize my care to each patient. I want my patients to feel comfortable and at ease. I believe excellent care is fostered through a strong patient-physician relationship."

Dr. Lee is the co-chair of the moderate sedation committee, and the chair of the digestive health initiative at Silver Cross Hospital. He was voted "Most Preferred Gastroenterologist" in Chicago's Consumers Checkbook, "Top Doctor" at Silver Cross Hospital, and "Teacher of the Year" by Advocate Christ Family Medicine.

Outside of Dr. Lee's practice, he enjoys travelling, family time, reading, cooking, running and cycling. He also owns a bakery in Chicago's Old Town neighborhood.
